

Facebook Pages

More than 20 million people connect with Pages every day. Make sure they are connecting with you.

Facebook Pages are a free product for organizations and public figures to connect with people on Facebook in an official, public manner. With over 400 million global users on the site every month, Pages have created more than 5.3 billion connections.

The following guide provides step-by-step instructions to create a basic Facebook Page. Before you get started, below are some key definitions to understand how Facebook Pages work.

Key Definitions

Facebook Page: Pages are for organizations, businesses, celebrities, and bands to broadcast great information to fans in an official, public manner.

Profile/User Account: A Facebook profile is intended to represent an individual person to connect with their friends and share information about their interests.

Administrator: A page administrator, or admin, controls the content and settings of a group and must administer the page via a personal profile.

Applications: A set of Facebook or third-party developed applications that can be added to a profile or page to increase engagement and enhance content.

News Feed: Top News aggregates the most interesting content that your friends are posting, while the Most Recent filter shows you all the actions your friends are making in real-time.

Wall: The Wall is a central location for recent information posted by you and about you. It's where you keep your up-to-date content, and where Fans can contribute.

Publisher: The Publisher lets you share content on Facebook and is located at the top of both your home page and on your profile.

Build a Page: Get Started

1 If You Already Have a Profile

Go to www.facebook.com/page to get started.

2 If You Do Not Have a Profile

Click the Create a Page link to create a Profile and Page together.

The Profile you create will automatically be the Administrator of the Page.

Build a Page: The Wall

- 1 The Wall is the place where your Updates are displayed in chronological order, with the latest Updates at the top.
- 2 You can adjust how your Wall appears to viewers of your Page. This will allow you to display just your posts or your posts mixed with fan posts.
- 3 This is the space where all of your activity will show. When you make a Status Update or share a photo, it will display here in chronological order.
- 4 Wave your cursor over these stats to see what they mean.

The screenshot shows the Facebook interface for the 'Facebook Pages Guide' page. The 'Wall' tab is selected, indicated by a green box and callout 1. Below the navigation tabs is a post creation area with a text box 'What's on your mind?' and a 'Share' button, highlighted by callout 2. The 'RECENT ACTIVITY' section shows 'Facebook Pages Guide joined Facebook.' Below that, a post from 'Facebook Pages Guide' is displayed, with its content and stats highlighted by callout 3. The stats for this post are '84,973 Impressions • 0.13% Feedback', with the feedback percentage highlighted by callout 4. A comment from 'Rachelle' is also visible below the post.

Build a Page: Understand the Features

- 1 The Like button is how users connect to your Page. When a person clicks “Like”, a News Feed story is generated and shared with their friends, “Sally likes Your Page.”
- 2 These are your Page tabs. The pre populated tabs may vary depending on your Page Category but every Page has Wall and Info. You can move a tab, delete a tab, and add a tab.
- 3 This is the Publisher. Use this box to create an update to your fans. Type the text in the box and click “Share”. This message will show up on the Page Wall and in users’ News Feeds.

Build a Page: More Features

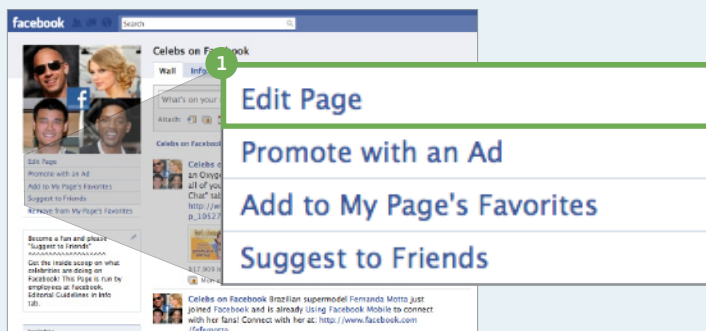

- 1 You can always find your Page by typing the Page Name into the Search Box.
- 2 “People Who Like This” box shows the number of people connected to your Page as well as 6 random thumbnails photos of your connections.
- 3 “Favorite Pages” box shows other Pages you would like to cross promote. They could be organizations or public figures you are affiliated with or other Pages you just like. To add Pages, click the **Add to My Page’s Favorites** link on the Pages you would like to add.
- 4 These features allow people connected to your Page to remove themselves, create their own Page and share your Page with their Friends.

The screenshot shows the Facebook interface for a page named "Facebook Pages Guide". The page is currently in a "New" state, indicated by a large question mark icon. The top navigation bar includes the Facebook logo, a search box (highlighted with a green box and a '1'), and links for Home, Profile, and Account. The page header shows the name "Facebook Pages Guide" with a "Like" button and tabs for Wall, Info, Photos, Discussions, and Reviews. The main content area includes a "What's on your mind?" text box, an "Attach" section, and a "Share" button. Below this is a "RECENT ACTIVITY" section showing a post from "Facebook Pages Guide" with 35 likes and 73 comments. A comment from "Rachelle" is also visible. On the left sidebar, there are several sections: "Edit Page", "Promote with an Ad", "Add to My Page's Favorites", "Suggest to Friends", "View Pulse", "Write something about your organization or Public Figure.", "Insights" (with a "See All" link), "89 People Like This" (with a "See All" link and a thumbnail of Rachelle), "Favorite Pages" (with a "See All" link and thumbnails for Facebook Design, Justin, and Using Facebook Mobile), and "Unlike" (with a "Create a Page for My Business" link and a "Share" button). The callouts 2, 3, and 4 point to the "People Who Like This", "Favorite Pages", and "Unlike" sections respectively.

Edit Settings: The Basics

- 1 Click the Edit Page link underneath the Page photo to open up your Settings Page.
- 2 Open up each of these three sections to set-up your Page settings for your needs.
- 3 Link your Page with your Mobile device. Add the Page's unique email address to your mobile device to send mobile photos straight to your Page Wall. You can also add your Mobile device to your Page for Status Updates by texting "f" to 32665 (FBOOK). After the Page is linked with your mobile number, send a text to 32665 (FBOOK) to post an Update to your Wall.
- 4 This window displays news and product updates for all Page admins directly from Facebook.
